

Argentario Golf & Wellness Resort becomes the first Italian golf resort of the Marriott group

Argentario Golf & Wellness Resort in Porto Ercole, Tuscany, has officially joined the world's largest and most prestigious hospitality group, Marriott International.

The Resort, the only one with the *PGA National Italy* recognition, thus becomes the first 5-star Resort in Italy and one of the few Golf Resorts in Europe to be part of Marriott's golf portfolio.

Argentario Golf & Wellness Resort is now a member of [Marriott Bonvoy](#). This loyalty program allows all travellers to collect points and transform them into benefits, free stays and much more.

Over the next few months, a series of restyling operations will lead the Argentario Golf & Wellness Resort to join the exclusive *Autograph Collection Hotels* brand, a collection of independent hotels individually selected by Marriott International for their unique perspectives on design, craftsmanship and hospitality, and with exclusive and luxurious experiences.
